

## Plastic Tube Container TopPack XLine

Plastic packaging tubes for extra long solid carbide drills

### Material

- outer part: PVC
- base plug: Polyethylene (PE)
- middle part: PVC
- middle part adapter: Polypropylene (PP)

### Product Range

- outer part and middle part in clear, base plug and middle part adapter in a variety of attractive standard colors
- all parts are packed separately in individual cartons
- TPKXL 18x431 V02 A: outer part with indentation for fixing the tools

### Product features TopPack XLine

TopPack XLine is an ideal packaging solution for extra-long drill bits and shank tools. The extended shank-holding plug with the patented shank clamping design keeps the drill bit firmly and securely in place. The “ribbed”, ergonomic shank is particularly easy to grip and facilitates opening. The outer part of the packaging tube is made from highly transparent PVC for perfect presentation of the exclusive drills.

- patented shankholding system and longer plug size offer optimum fit of the tool
- ergonomic shape plus incorporated grooves provide grip for easy opening
- in combination with a central support perfect for extreme drill lengths up to 765 mm
- the optional middle part in combination with the adapter ensures central positioning and safe storage of the drill
- reclosable and reusable added value
- attractive design
- optimum visibility of content
- sturdy, oil, and moisture resistant
- for information on the compatibility between the base plug, the outer part and the middle part and the resulting usable length, please refer to the last page of the data sheet

## Product Range: TopPack XLine

Article	Part type	Inner diam.	Shank diam.	Inner length	Packaging Unit
TPKXL 13x40-3/1 I	base plug	13mm	3mm	40mm	680
TPKXL 13x40-4/1 I	base plug	13mm	4mm	40mm	680
